**You will notice that the payouts and placements are 'off'. This was a mistake that the MVC made and we are very sorry for any inconvenience. Because this was our mistake, we have corrected the errors and paid out anyone that was missed. Again, we apologize for any inconvenience and will be making internal changes so that this will not happen in the future.**  
**We hope to see you at the Open Water Fishing Derby, May 6th & 7th, 2017!**
