Thank you to ALL who participated and if you didn't get your check, come and get it!

For many years, my goal has been to do my best for this fabulous community and to bring back the Labor Day weekend to what it once was. In some things, I've missed the mark and yet others have been a home run. I am humbled that 2017 has given me a glimmer of hope that we are doing something right and getting that much closer to our goal. There is no other place I would rather be and no other people I'd rather be with than YOU. From the bottom of my heart, THANK YOU for your support and confidence in me.

I am truly blessed beyond measure.
